Carette Clockwork Gun Boat c.1900 restoration by Simon Greenwood

- Colour match paintwork to original colours before paint removal
- Fabricate: 2 funnels, missing bridge area, mast, piece missing from rudder to keel, replacement knob for steering wheel, replacement gear for motor.

- Remove the dents in the plate work; fill with lead to smooth out
- Overhaul and service clockwork motor, repair firing mechanism.
- Paint in the original colours and Carette style
