Before & After photographs of O Gauge Ace Trains 4-4-4 Tank in Caledonian Livery

Painted and lined by Simon Greenwood

- Remove existing paint and prepare paint surface
- Rectify the creasing and indents in cab roof
- Paint in Caledonian Livery, to customer specification, in a similar style to that of Ace Trains.

- Application of Cab side detailing: 961 in gold shaded black, on red painted oval simulated cast "plate" with gold edging. Tank detailing: C "crest" R
- Apply Nickel Plating to buffer head & stem
