Before & After photographs of O Gauge Ace Trains 4-4-4 Tank in LNWR Livery

Painted and lined by Simon Greenwood

- Remove existing paint and prepare paint surface
- Paint in LNWR Livery, to customer specification, in a similar style to that of Ace Trains.

- Application of cab side detailing: 444 in gold shaded black, on a red painted, simulated cast "plate" with gold edging – within a lined panel
- Application of tank detailing: LNWR, gold shaded red, within lined panel
