O Gauge Hornby 4-4-0 No2 L&NER Tender Locomotive no 2711 designed by Meccano in 1921 - **BEFORE** Transformation

Background:

The client provided as a "donor" model an O Gauge Hornby 4-4-0 No 2 L&NER Tender Locomotive no 2711, designed by Meccano in 1921. He asked that Simon realise for him the locomotive in the photograph on page 126 of the Hornby Gauge O System by Chris & Julie Graebe (1994 Revised Edition) of the Caledonian Railway 4-4-0 No 2 Locomotive.

Work completed:

Fabricate and fit a new lever arm to the existing Safety Valve.

Fit the new couplings provided.

Polish and re-use existing Hand Rails and Hand Rail Knobs, Steam Dome, Buffers, Coupling Rods, Wheels and Cab Side "2711" Number Plates

Paint in Caledonian Railway Livery in the colour, style and finish of Hornby.

Application of appropriate reproduction Hornby "Meccanno Ltd Liverpool" Oval Transfers to Splasher and Tender Sides.
