O Gauge Marklin (Walker's & Holtzapffel) Clockwork Midland 0-6-0 Tank

restoration by Simon Greenwood

- Removal of over painting revealed original Marklin colour, finish and number. Colour matched paint to original before paint removal
- Repair of cab plate work, refurbishment of the mechanism and wheels
- Construction of new centrifugal regulator for the clockwork mechanism & fabrication of a new Marklin-style whistle.
- Repainted in the original Marklin colour, style and running number
